BOSTON, MASSACHUSETTS

INDEX.

Amesbury, Mass., iron-removal plant for. By GEORGE A. SAMPSON. 53, Mar.
Automatic shape-cutting machines, replacing castings and forgings by steel elements cut to shape by. By ADOLF KREBS. 36, Mar.

Book Review. Water Purification. 357, Sept.
Brooks, Charles F., and Weber, J. Henry. The weather-map story of the flooding rainstorms of New England and adjoining regions, November 3–4, 1927. 91, Mar.
Browne, Robert L. Thermit pipe-welding. 21, Mar.
Brush, William W. Clarification of the Catskill Water Supply of the City of New York by coagulation and sedimentation. 65, Mar.

Cambridge Water Works, relining Payson Park Reservoir. By LEWIS M. HASTINGS 45, Mar.
Caracas, Venezuela, the water supply of. By THORNDIKE SAVILLE. 303, Sept.
Carpenter, George A. Portrait of. Frontispiece. Mar.
Carpenter, George A. An Appreciation. 1, Mar.
Catskill Water Supply of the City of New York, clarification by coagulation and sedimentation. By WILLIAM W. BRUSH. 65, Mar.
Cast-iron pipe, tuberculation of. By CHARLES W. SHERMAN. 259, Sept.
Cement-lined pipe, report of committee. 492, Dec.
Chase, E. Sherman. The new purification plant of the Greenwich Water Company. 396, Dec.
Chlorination, what every engineer and water-works superintendent should know about. By RICHARD V. DONNELLY. 79, Mar.
Chlorine by the ortho-tolidin method, the effect of sunlight on the determination of. By F. R. MCCRUMB and W. R. KENNY. 410, Dec.
Clarification of Catskill Water Supply of the City of New York by coagulation and sedimentation. By WILLIAM W. BRUSH. 65, Mar.
Clark, H. W. Iodine in the public water supplies of Massachusetts. 132, June.
Coagulation and sedimentation, clarification of the Catskill Water Supply of the City of New York. By WILLIAM W. BRUSH. 65, Mar.
Committee on cement-lined pipe, report of. 492, Dec.
Committee on cross-connections, report of. 191, June; 461, Dec.
Cross-connections, report of committee on. 191, June; 461, Dec.

Dean, F. W. Pumping-station practice. 109, June.
Design and equipment of water-works laboratories. By MELVILLE C. WHIPPLE. 339, Sept.
Determination of chlorine by the ortho-tolidin method, the effect of sunlight on the. By F. R. MCCRUMB and W. R. KENNY. 410, Dec.
Developments in welding, pipe welding and other recent. By D. H. DEYOE. 25, Mar.
Developments in water purification, recent. By WELLINGTON DONALDSON. 372, Dec.
Deyoe, D. H. Pipe welding and other recent developments in welding. 25, Mar.
Discussion of welding. 42, Mar.
Distribution-system maintenance. A report of the proceedings of the superintendents' conference of September 14, 1927. 239, Sept.

Donaldson, Wellington. Recent developments in water purification. 372, Dec.
Donnelly, Richard V. What every engineer and water-works superintendent should know about chlorination. 79, Mar.

Edwards, Le Roy. Pipe-line welding from the oxy-acetylene viewpoint. 3, Mar.
Effect of sunlight on the determination of chlorine by the ortho-tolidin method. By F. R. McCrumb and W. R. Kenny. 410, Dec.
Equipment of water-works laboratories, the design and. By Melville C. Whipple. 339, Sept.

Field, Frederick E., and **Harrington, John H.** The Montreal filtration works. 359, Dec.
Filtration works, Montreal. By Frederick E. Field and John H. Harrington. 359, Dec.
Flooding rainstorm of New England and adjoining regions, November 3–4, 1927, the weather-map story of the. By J. Henry Weber and Charles F. Brooks. 91, Mar.

Goodnough, X. H. Rainfall in New England during the storm of November 3 and 4, 1927. 150, June.
Greenwich Water Company, the new purification plant of the. By E. Sherman Chase. 396, Dec.
Greenwich Water Company, the new water-works system of the. By Dana M. Wood. 378, Dec.

Hall, Francis E. Obituary. 356, Sept.
Harrington, John H., and **Field, Frederick E.** The Montreal filtration works. 359, Dec.
Hastings, Lewis M. Relining Payson Park Reservoir; Cambridge Water Works. 45, Mar.
Heffernan, David A. Reminiscences of a superintendent. 235, Sept.

Iodine in the public water supplies of Massachusetts. By H. W. Clark. 132, June.
Iron-removal plant for Amesbury, Mass. By George A. Sampson. 53, Mar.

Kennedy, Daniel. Obituary. 107, Mar.
Kenny, W. R., and **McCrumb, F. R.** The effect of sunlight on the determination of chlorine by the ortho-tolidin method. 410, Dec.
Krebs, Adolf. Replacing castings and forgings by steel elements cut to shape by automatic shape-cutting machines. 36, Mar.

Laboratories, the design and equipment of water-works. By Melville C. Whipple. 339, Sept.

Machines, replacing castings and forgings by steel elements cut to shape by automatic shape-cutting. By Adolf Krebs. 36, Mar.
Maintenance, distribution system. A report of the proceedings of the superintendents' conference of September 14, 1927. 239, Sept.
Massachusetts, iodine in the public water supplies of. By H. W. Clark. 132, June.
Metallurgy of welding-wire, the. By C. A. McCune. 33, Mar.
Meters, service pipes and. A report of the proceedings of the superintendents' conference of November 9, 1927. 251, Sept.
McCune, C. A. The metallurgy of welding-wire. 33, Mar.
McCrumb, F. R., and **Kenny, W. R.** The effect of sunlight on the determination of chlorine by the ortho-tolidin method. 410, Dec.
Montreal Filtration Works. By Frederick E. Field and John H. Harrington. 359, Dec.

New England and adjoining regions, November 3–4, 1927, the weather-map story of the flooding rainstorm of. By J. HENRY WEBER and CHARLES F. BROOKS. 91, Mar.
New England, rainfall during the storm of November 3 and 4, 1927. By X. H. GOODNOUGH. 150, June.
New England, the rainfall of. By J. HENRY WEBER.
Part I. Annual rainfall. 137, June.
Part II. Seasonal rainfall. 278, Sept.
Part III. Mean monthly rainfall of southern New England. 291, Sept.
Part IV. Minimum and maximum rainfall of southern New England. 414, Dec.
New England, the rainfall of northern. By GRAGG RICHARDS. 431, Dec.
New England Water Works Association.
Address of President. By ARTHUR D. WESTON. 474, Dec.
Dexter Brackett Memorial Medal, Award of. 458, Dec.
Election of officers. 472, Dec.
Proceedings:
December meeting. 104, Mar.
January meeting. 105, Mar.
February meeting. 188, June.
March meeting. 188, June.
September meeting. 457, Dec.
Remarks by:
Lewis E. Moore. 104, Mar.
J. A. Mathewson. 457, Dec.
Reports:
Committee on cement-lined pipes. 492, Dec.
Committee on cross-connections. 191, June; 461, Dec.
Editor. 483, Dec.
Finance Committee. 486, Dec.
Secretary. 477, Dec.
Treasurer. 480, Dec.
New purification plant of the Greenwich Water Company. By E. SHERMAN CHASE. 396, Dec.
New water-works system of the Greenwich Water Company. By DANA M. WOOD. 378, Dec.
New York, clarification of the Catskill Water Supply by sedimentation and coagulation. By WILLIAM W. BRUSH. 65, Mar.
November 3 and 4, 1927, rainfall during the storm of. By X. H. GOODNOUGH. 150, June.
November 3–4, 1927, the weather-map story of the flooding rainstorm of New England and adjoining regions. By J. HENRY WEBER and CHARLES F. BROOKS. 91, Mar.

Obituary. George Ansel Carpenter. 1, Mar.
Obituary. Francis E. Hall. 356, Sept.
Obituary. Daniel Kennedy. 107, Mar.
Ortho-tolidin method, the effect of sunlight on the determination of chlorine by the. By F. R. MCCRUMB and W. R. KENNY. 410, Dec.
Oxy-acetylene viewpoint, pipe-line welding from the. By LE ROY EDWARDS. 3, Mar.

Payson Park Reservoir; Cambridge Water Works, relining. By LEWIS M. HASTINGS. 45, Mar.
Pipe, report of committee on cement-lined. 492, Dec.
Pipe, tuberculation of cast-iron. By CHARLES W. SHERMAN. 259, Sept.
Pipe-line welding from the oxy-acetylene viewpoint. By LE ROY EDWARDS. 3, Mar.
Pipe welding and other recent developments in welding. By D. H. DEYOE. 25, Mar.
Pipe-welding, thermit. By ROBERT L. BROWNE. 21, Mar.

Public water supplies of Massachusetts, iodine in the. By H. W. CLARK. 132, June.
Pumping-station practice. By F. W. DEAN. 109, June.
Purification plant of the Greenwich Water Company, the new. By E. SHERMAN CHASE. 396, Dec.
Purification, recent developments in water. By WELLINGTON DONALDSON. 372, Dec.

Rainfall in New England during the storm of November 3 and 4, 1927. By X. H. GOODNOUGH. 150, June.
Rainfall of New England. By J. HENRY WEBER.
Part I. Annual rainfall. 137, June.
Part II. Seasonal rainfall. 278, Sept.
Part III. Mean monthly rainfall of southern New England. 291, Sept.
Part IV. Minimum and maximum rainfall of southern New England. 414. Dec.
Rainfall of northern New England. By GRAGG RICHARDS. 431, Dec.
Rainstorm of New England and adjoining regions, November 3–4, 1927, the weather-map story of the flooding. By J. HENRY WEBER and CHARLES F. BROOKS. 91, Mar.
Recent developments in water purification. By WELLINGTON DONALDSON. 372, Dec.
Relining Payson Park Reservoir; Cambridge Water Works. By LEWIS M. HASTINGS. 45, Mar.
Reminiscences of a superintendent. By DAVID A. HEFFERNAN. 235, Sept.
Replacing castings and forgings by steel elements cut to shape by automatic shape-cutting machines. By ADOLF KREBS. 36, Mar.
Report of committee on cement-lined pipe. 492, Dec.
Report of committee on cross-connections. 191, June; 461, Dec.
Richards, Gragg. The rainfall of northern New England. 431, Dec.

Sampson, George A. Iron-removal plant for Amesbury, Mass. 53, Mar.
Saville, Thorndike. The water supply of Caracas, Venezuela. 303, Sept.
Sedimentation, clarification of the Catskill Water Supply of the City of New York by coagulation and. By WILLIAM W. BRUSH. 65, Mar.
Service pipes and meters. A report of the proceedings of the superintendents' conference of November 9, 1927. 251, Sept.
Shape-cutting machines, replacing castings and forgings by steel elements cut to shape by automatic. By ADOLF KREBS. 36, Mar.
Sherman, Charles W. Tuberculation of cast-iron pipe. 259, Sept.
Storm of November 3 and 4, 1927, rainfall in New England during the. By X. H. GOODNOUGH. 150, June.
Sunlight on the determination of chlorine by the ortho-tolidin method, the effect of. By F. R. MCCRUMB and W. R. KENNY. 410, Dec.
Superintendent, reminiscences of a. By DAVID A. HEFFERNAN. 235, Sept.
Superintendents' conference of September 14, 1927, a report of the proceedings of the. Distribution-system maintenance. 239, Sept.
Superintendents' conference of November 9, 1927, a report of the proceedings of the. Service pipes and meters. 251, Sept.

Thermit pipe-welding. By ROBERT L. BROWNE. 21, Mar.
Tuberculation of cast-iron pipe. By CHARLES W. SHERMAN. 259, Sept.

Water purification. BOOK REVIEW. 357, Sept.
Water purification, recent developments in. By WELLINGTON DONALDSON. 372, Dec.
Water supplies of Massachusetts, iodine in the public. By H. W. CLARK. 132, June.
Water supply of Caracas, Venezuela. By THORNDIKE SAVILLE. 303, Sept.
Water-works laboratories, the design and equipment of. By MELVILLE C. WHIPPLE. 339, Sept.

Water-works system of the Greenwich Water Company, the new. By DANA M. WOOD. 378, Dec.

Weather-map story of the flooding rainstorm of New England and adjoining regions, November 3–4, 1927, the. By J. HENRY WEBER and CHARLES F. BROOKS. 91, Mar.

Weber, J. Henry, and Brooks, Charles F. The weather-map story of the flooding rainstorm of New England and adjoining regions, November 3–4, 1927. 91, Mar.

Weber, J. Henry. The rainfall of New England.

Part I. Annual rainfall. 137, June.

Part II. Seasonal rainfall. 278, Sept.

Part III. Mean monthly rainfall of southern New England. 291, Sept.

Part IV. Minimum and maximum rainfall of southern New England. 414, Dec.

Welding, discussion of. 42, Mar.

Welding from the oxy-acetylene viewpoint, pipe-line. By LE ROY EDWARDS. 3, Mar.

Welding, pipe welding and other recent developments in. By D. H. DEYOE. 25, Mar.

Welding, thermit. By ROBERT L. BROWNE. 21, Mar.

Welding-wire, the metallurgy of. By C. A. MCCUNE. 33, Mar.

What every engineer and water-works superintendent should know about chlorination. By RICHARD V. DONNELLY. 79, Mar.

Whipple, Melville C. The design and equipment of water-works laboratories. 339, Sept.

Wood, Dana M. The new water-works system of the Greenwich Water Company. 396, Dec.
